Examiner's Amendment to the Claims

In claim 53, line 2, delete "56" and substitute therefor --- 52 ---.

The following is an **Examiner's Statement of Reasons for Allowance**:

Claims 1-2, 22-23, 25, 48-54 are directed to isolated polynucleotide molecules encoding a human MLK4 gene product and specifically claimed homologs thereof with kinase activity , vectors and host cells comprising said products and methods of expressing said products.

Claimed polynucleotide molecules are free of prior art. Further, the prior art does not teach or suggest preparing such specifically claimed molecules. Hence, said molecules are also non-obvious.

Since claimed polynucleotides are both novel and non-obvious, vectors and host cells comprising said polynucleotides and methods of expressing said polynucleotides are also novel and non-obvious.

Claims 1-2, 22-23, 25, 48-54 are allowed.
